

Delivery & Collection of Children

POLICY STATEMENT:

Our Service will ensure that children arrive at and leave the service in a manner that safeguards their health, safety and wellbeing. Educators will manage this by adhering to clear procedures regarding the delivery and collection of children, ensuring that families understand their requirements and responsibilities and accounting for the whereabouts of children at all times whilst in the service's care.

PROCEDURES:

(a) Delivery of Children:

- Children are not to be left at the service unattended at any time prior to the opening hours of the service.
- Any person delivering a child to the service must sign the attendance register and record the time of arrival and their signature.
- Educators will be aware of each child's arrival at the service and exchange information with the person delivering the child such as who will be collecting the child.
- If a child requires medication to be administered whilst at the service, the person delivering the child must document this in writing as per the services Management of Medical Conditions and Administration of Medication procedures.
- Please understand that by signing your child into care at our Centre you are agreeing that your child is well and fit to participate in play. If, in the opinion of the Centre Director or Responsible Person, your child is not fit to attend or becomes unwell, you will be called to collect your child.

(b) Collection of Children:

- Children must be collected by the closing time of the service.
- Any person who is collecting a child from the service must be listed as an authorised nominee on the child's enrolment form with their contact details with the exception of a medical or other emergency. The collection list must be kept current and updated on a regular basis.
- Children must be signed IN (Before School Care and Vacation Care) and OUT (After School Care and Vacation Care) using the iPad located inside the centre everyday by a parent/guardian or authorised nominee only aged 18 or over. This is compulsory and a legal requirement as it registers a child's attendance and record of the time of drop off and collection. Persons collecting children from the Centre must be identified by name on the Enrolment Form. All persons collecting children who are not already known to staff on duty will need to supply us with photo identification.

- Written authorisation must be given in the child's enrolment form if children have permission to leave the service themselves. In this case, the Coordinator/Nominated Supervisor would sign the child out of the service.
- Educators will be aware of each child's departure from the service to ensure children are only collected by an authorised nominee listed on their collection list aged 18 and over.
- Educators should be notified as soon as possible if the authorised nominee will be later than expected and the child will be informed to avoid unnecessary anxiety.
- In the case of an emergency where a child's authorised nominees cannot collect the child and someone not on the collection list will be collecting the child, the service must be notified by phone as soon as possible by an authorised nominee.
- Written authorisation should be gained where possible however verbal consent and an identification check will be sufficient in the case of an emergency.

Please note, although the Centre's age requirement to collect a child is 18 years and over, this can be amended to 16 years of age upon families' request. The Centre will not accept collection of a child from a person under the age of 16.

(c) Absent and Missing Children:

- Families are required to notify educators as early as possible if children will be absent from the service. Educators will record the absences in an appropriate place where other educators will be aware of the information.
- Families will be informed of their notifying responsibilities upon enrolment and via the parent handbook.
- If a child only attends after school care the families must notify educators when a child has returned from an absence so they know to expect the child at the service.
- Should a child not arrive at the service or not be waiting in the designated area when expected, educators will:
 - ✓ Ask the other children of their knowledge of where the child might be.
 - ✓ Approach the school office and ask for information regarding the child's attendance at school.
 - ✓ If the child was absent from school, call the child's authorised nominees at a suitable time to remind them of their notifying responsibilities and find out when they should expect the child to return to the service.
 - ✓ If the child was present at school and the other children and school staff are unaware of their whereabouts, educators will ask the school staff for assistance in searching for the child in the school area. Ensure supervision is maintained for other children during this process.
 - ✓ If the child is still unable to be located, educators will return to the service and call the child's authorised nominees to gain further information. Continue to call the authorised nominees on the contact list until contact

has been made. Maintain contact with the authorised nominees until the child has been located.

- ✓ Continue to keep in contact with the school during this time.
- ✓ Arrange for appropriate supervision of children at the service and send an educator back to the school area to continue looking for the child. Follow up on any leads regarding children going to a friend's home and check common places in the local area.
- ✓ If the child remains missing, contact the police and keep the authorised nominees and school informed of the situation.
- ✓ Educators will notify the Department of Education and Communities (DECS) within 24 hours of the incident occurring.

(d) Acknowledgement of Children's Arrival:

- Educators will acknowledge children's arrival at the service during After School Care by recording the child's name and arrival time at the service. If using transport to deliver children to the service, ensure procedures are in place to record that children have been collected and that educators address children by their name to ensure the correct children have been collected. This is particularly important when employing new or casual staff.
