For further information and to book a workshop go to the **P&C Creative Workshops landing page:** <http://events.hhps-pandc.org.au/>

**ENROLMENTS OPEN:** Friday 25 March 2022

**ENROMENTS CLOSE:** Friday 08 April 2022

Enrolments must close at this time, as our providers need to arrange instructors and classes. If class numbers are too small the workshop will be cancelled, so please enrol as soon as possible, so our providers can arrange tutors.

### **Information for New Parents**

The HHPS Parents and Citizens Association run a creative workshops program directly after school, on school grounds to offer our children a diverse and enriching after school program. The workshops are run by a parent volunteer (Creative Workshops Convenor) to oversee the program and enrolment process. The program utilises external providers that range from national organisations all the way to local parents with a particular expertise.

Our workshops are reviewed regularly and we aim to offer topics that meet the needs of the different year levels. As a result not all workshops are suited to all year groups.

The cost of each workshop varies depending on the activity. All afternoon workshops commence at 3.05pm and finish at various times. Typically workshops run for 8 weeks commencing in Week 2 and finishing in Week 9. In Term 2, workshops scheduled on a Monday will finish in Week 10 to allow for the public holiday on Monday 13 June 2022.

### **HHOOSH**

If your child is enrolled in HHOOSH (after school care) they will be taken to their enrolled workshop and collected upon completion. **For Term 2 only, students enrolled in a Creative Workshop qualify to receive a discounted price at HHOOSH on the same afternoon. For further details [www.hhoosh.com.au](http://www.hhoosh.com.au)**

If your child is not attending HHOOSH on that day, they will need to find their own way to the allocated classroom and parents are to collect their child at the end of the session.

If you have ideas for workshops or know of someone in our community who would like to run a workshop please get in touch [creativeworkshops@hps-pandc.org.au](mailto:creativeworkshops@hps-pandc.org.au)

We look forward to seeing your child at one of our workshops in the future!

Many thanks,

Alison McCann  
Convenor, Creative Workshops
